CMSE is a wholly owned subsidiary of the Choctaw Nation of Oklahoma. The enterprise was created to provide healthcare staff, information technology support, and administrative management for government and commercial clients. Profits generated by CMSE are allocated by the Choctaw Nation Tribal Council to enhance the Nation's social programs, healthcare services, and educational assistance for its people. CMSE profits also further economic development in the Nation's homeland of Southeastern Oklahoma.

Choctaw Nation of Oklahoma Headquarters, Durant, OK.

In 1975, the Choctaw Nation Administrative Offices were established in the historic Oklahoma Presbyterian College for Girls in Durant. This building, originally known as the Calvin Institute, was established in 1894 as a school for Indian youth.
